

## THAILAND'S SOLAR PV ROADMAP PROCESS

### Technical Working Group #1:

The Integration between Solar PV and the Grid: Key Issues for Thailand

June 21, 2013, Noon-16:30PM

The Library Room, B1 Floor, Novotel Siam Square

### *Program*

- |             |  |
|-------------|--|
| 12:00-13:30 | Registration at the Library Room, B1 Floor<br>and Lunch at "The Square", 2 <sup>nd</sup> Floor   |
| 13.30-13:40 | Welcome Address<br>By <b>Ms. Kulwaree Buranasajjawaraporn</b><br>Director of Innovation Group,<br>Bureau of Solar Energy Development, DEDE   |
| 13:40-13:50 | Welcome Address and Overview of the Solar PV Roadmap Process<br>By <b>Dr. Naebboon Hoonchareon</b><br>Deputy Director of the Energy Research Institute   |
| 13:50-14:15 | "Solar PV and the Grid: Key Technical Issues for Thailand"<br>Presentation by <b>Dr. Surachai Chaitusaney</b><br>Head of Power System Research Laboratory<br>Department of Electrical Engineering,<br>Chulalongkorn University |
| 14:15-14:30 | Participants' Comments & Questions   |
| 14:30-14:45 | <i>Coffee Break</i>  |
| 14:45-15:00 | "Solar PV and the Grid: Building Blocks for Future Grid Code"<br>Presentation by <b>Dr. Titiporn Sangpetch</b><br>System Planning Division<br>Electricity Generating Authority of Thailand (EGAT)                              |
| 15:00-15:15 | "Positive & Negative Impacts of Solar PV on the PEA's System"<br>Presentation by <b>Mr. Channarong Sorndit</b><br>Research Division<br>Provincial Electricity Authority (PEA)  |
| 15:15-16:00 | Participants' Comments and Questions   |
| 16:00-16:30 | Summary of the Key Issues and <b>Next-Steps for the Solar PV Roadmap Process</b><br>By <b>Dr. Sopitsuda Tongsovit</b> ,<br>Solar PV Roadmap Coordinator  |
